Bruce,
Please review the following Region 4 accounts in the SSDs top ten:

- Section 41- Holland Oil KA#50311 should be KA#44532 (This relates to the retail stores of Holland Oil)
- Section 43-Blackdust KA#55331 (SSD Andy MacRae tells me this direct account is sending questionable data to MSA)
- Section 44-Interstate Oil KA#52731 (Last month we discussed this account. They merged with the national account AMOCO Oil)
- Section 45-Fleming KA#49759 (No retail stores linked to this account number)

When you have a free moment please have someone review these accounts.

Thanks,
Bob
